THE COSMOS IS A WHOLE, THE BALANCE AND CONNECTION BETWEEN PACHAMAMA AND EVERYTHING WE CONNECT WITH THROUGH HER.

IN THIS COLLECTION, WE UNDERSTAND THE COSMOS AS THE ENERGY THAT EMERGES WHEN WE SHARE COMMUNICATION, KNOWLEDGE, AND CREATION: IDEAS BORN FROM SHEPHERDING, FROM LIVING WHILE WEAVING IN THE COUNTRYSIDE AND FORGETTING TIME, AND FROM THE CREATIVE FORCE THAT GUIDES DESIGN. THIS COSMOS IS SOMETHING INNER FOR ME AND ANCESTRAL FOR THEM, PASSED DOWN FROM GENERATION TO GENERATION.
